ABOUT ALVOR

In 716, during the Muslim Invasion, the area was conquered by the Moors and began to be referred to as Albur or Alvor, the name of the mountain where the castle of Alvor was built, of which only traces remain.

Although no longer the tiny fishing village it was 35 years ago, Alvor still has its secret charms, now with many small boutiques, restaurants and pubs.

Watch the sun set over the idyllic harbour & stay for dinner in one of its exceptional restaurants!

FREEMAPS will guide you through some of the best places in this beautiful destination!
